The gross total of the Funds thus held amounted to £1,227,228 7s. 8d.

Detailed lists of the foregoing Securities will be found in Schedule No. I. In addition, we receive rents and annuities of the yearly value of £1,940 18s. 2d., and the annual interest on certain Charity Funds amounting to £11,295 0s. 7d., not vested in us.

4. A detailed list of the funds received from 1st January, 1913, to 31st December, 1917, will be found in the second schedule. In the year ended 31st December, 1917, we received funds amounting to:—

|                                      | £     | s. | d. |
|--------------------------------------|-------|----|----|

| Miscellaneous Stocks and Securities, | 9,570 | 1  | 4  |

Accounts of the sum voted by Parliament have been furnished, in accordance with the forms adopted under the direction of the Treasury, and the provisions of the "Exchequer and Audit Departments Act, 1866"; and the Appropriation Account for the year ended 31st March, 1916, has been certified to be correct by the Auditor-General of Public Accounts.

5. Our charity accounts for the year ended 31st December, 1916, have been audited by the Local Government Board and settled and declared. Our accounts for the year 1917 have been submitted to the Local Government Board for audit, which audit is at present in process.

In connection with our Seventy-second Annual Report, the Local Government Board Auditor called attention to the omission of 5 items from the Return of Miscellaneous Securities, Schedule No. 1, viz. :—

|   | £     | s. | d. |
|---|-------|----|----|
| £2½ per cent. Preference Stock of the Midland Railway Co. of England ...                                  | 251   | 0  | 0  |
| £4 per cent. Preference Stock of the Great Northern Railway Co. (Ireland)<br>two items of £1,000 each ... | 2,000 | 0  | 0  |
| £4 per cent. New Zealand Government Redeemable Stock (1929) two<br>items of £996 13s. 4d. each ...        | 1,993 | 6  | 8  |
| Amounting in the aggregate to ...   | 4,244 | 6  | 8  |

These items are included in the amounts shown in Schedule 1, herewith, and in the third paragraph of this Report.

Mr. Geoghegan, Chartered Accountant, of 4 College Green, who prepared the accounts for audit pursuant to Treasury Authority dated 12th April, 1917, has explained to our satisfaction the way in which these mistakes occurred, and we beg to point out that they were purely of a book-keeping capital nature and had no bearing on the cash transactions of the Commissioners.

6. On the retirement of Mr. Arnold Felix Graves on the 17th November, 1917, His Excellency, the Lord Lieutenant was pleased on the 28th of November, 1917, to appoint Captain T. J. D. Atkinson to be one of our Secretaries in his place. Captain Atkinson has not yet taken up the duties of this post as he is required for military service on the Headquarter's Staff of the Irish Command. Pending his release by the military authorities on December 1st, 1918, we have secured the valuable assistance of Mr. Frederick MacNeice, Solicitor, whose temporary appointment for the purpose has been sanctioned by the Lords Commissioners of Your Majesty's Treasury.

7. We regret to have to report that our unanimous and repeated requests to the Lords Commissioners of Your Majesty's Treasury to restore the salaries of our Secretaries to the amount (£600 and after five years £700) fixed by their Minute of the 4th February, 1885, has not, so far, been complied with. The salaries were reduced (to £500—£600) on the appointment of Mr. Bodkin, in 1916 without due regard being given to the greatly increased and increasing work of the office. We regret to have to report the resignations of our esteemed and valued colleagues, Mr. Henry Perry Goodbody, the Right Hon. Mr. Justice Ross, the Right Hon. Laurence A. Waldron, and the Right Hon. Mr. Justice Pim.

All which we submit as our Report, and in testimony thereof we have caused our Corporate Seal to be hereto affixed this 23rd day of October, 1918.

Present when seal affixed :
